

## **REDCap News and Updates**

### **Friday November 6, 2020**

The Office of Research Affairs and Rush IS is proud to offer REDCap (Research Electronic Data Capture) to Rush research community. REDCap is a secure web application for building and managing online surveys and databases. While REDCap can be used to collect virtually any type of data in any environment (including compliance with 21 CFR Part 11, FISMA, HIPAA, and GDPR), it is specifically geared to support online and offline electronic data capture for research studies and operations. Click [here](#) for more information about REDCap

### **REDCap by the numbers**

- Current projects in production: 1,464
- Current projects in development: 1,840
- Total data collection instruments: 12,830
- Total data collection fields: 401,719
- Total records: 435,267
- Total user accounts: 3,829
- Median users per project: 3
- Total logins the past 30 days: 89,319
- Click [here](#) for detailed REDCap graph statistical information during the last month

### **REDCap Office Hours**

The REDCap Support Team holds two Webex office hour sessions per week. Users having any questions regarding REDCap or just interested in listening to what other users are experiencing, are welcome to join. Please send a request to [redcap@rush.edu](mailto:redcap@rush.edu) so the team can register and send you the Webex information for the session.

Office Hours are:

- Tuesday: 10AM -12PM
- Thursday: 10AM-12PM

## **REDCap e-Consent**

Rush offers a new digital platform for collecting e-Consents from participants. This REDCap platform is part 11 compliant and supported by Rush IS. Going forward, users can access their REDCap e-Consent from their project homepage summary in the [Rush Research Portal](#)

## **New REDCap account for external/collaborator user**

Rush REDCap by default will allow any Rush employee with a valid Rush user name and password. Click [here](#) to login REDCap

If you don't currently have a Rush account or you are not a Rush employee then you will not be able to login to Rush REDCap. Please perform the following steps to request an external/collaborator REDCap account:

- Fill out the account request form using the following link: [REDCap Account Request](#).
- Once a user completes the form above, the PI/Sponsor will receive an email notification requesting the PI/sponsor to authorize the user for a new REDCap account.
- Rush IS will create a new REDCap account and send the account information to the user.

Note: The PI/Sponsor is responsible for sharing the external/collaborator REDCap account request above to the external collaborator.

## **Contact us:**

For all REDCap questions, please email [redcap@rush.edu](mailto:redcap@rush.edu)
